

**REMARKS**

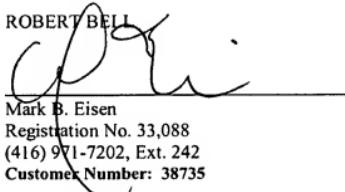

The applicant has cancelled claims 1 to 3 from this application, without prejudice to the applicant's right to include same in a divisional application. The applicant will proceed with claims 4 to 23, which the examiner had indicated are allowable.

Claims 4 and 14 have been amended to correct an instance of "towing position" which should read "stabilizing position" and to correct two antecedents, otherwise claims 4 to 23 remain unchanged. No new matter has been added.

Favourable reconsideration and allowance of this application are respectfully requested.

A Petition for an Extension of Time requesting an extension of two months for filing the subject response is enclosed. The Commissioner is authorized to charge any deficiency or credit any overpayment in the fees for same to our Deposit Account No. 500663.

Executed at Toronto, Ontario, Canada, on May 2, 2008.
